</tbody>
</table>
Doncaster Metropolitan Borough Council
Enabling Co-location of cross Public Sector Delivery Partners – improving access to service whilst reducing occupation costs
The project will deliver a team Doncaster Borough Strategy for Assets, signed by all partners. This will review all assets across the Borough owned and used by the Public Sector and other partners.
£350,000 £750,000
Hartlepool Borough Council
Early Help Locality Model
Implementation of the Council’s digital strategy. Funding will deliver a new, modern digital infrastructure; providing digital tools and capabilities to enable service improvements – transforming business processes and services across the Council and its partners. Delivery of the digital strategy will facilitate future savings for all partners and contribute to the Council’s own target to save £100m by 2017.
£1,100,000

Doncaster County Council
Delivering Doncasters Potential
The funding will enable Doncaster authorities to move faster with their plans for growth. This will be the first review in the country that is supported by every local authority in a community, including a county, two unitary councils and district and borough councils.
£75,000

Durham County Council
The Durham Ask
Durham Ask is empowering people to take control of services that matter them. It aims to transfer the ownership and management of some council assets – such as community centres and libraries – to local organisations where there is a community interest. It supports groups and volunteers to ensure they have the necessary skills, experience and resources to take on these important public services.
£1,400,000

Essex County Council
Early Intervention - Transforming Essex
The Essex Partnership will create shared databases to identify those in need and act earlier for victims of domestic abuse. It will support partners to build resilience in communities through implementing social prescribing services that will see the health and social care system working collaboratively and allowing residents to take greater responsibility over their own health and wellbeing.
£3,300,044

Hampshire County Council
Transforming Services through Digital
Implementation of the Council’s digital strategy. Funding will deliver a new, modern digital infrastructure, providing digital tools and capabilities to enable service improvements – transforming business processes and services across the Council and its partners. Delivery of the digital strategy will facilitate future savings for all partners and contribute to the Council’s own target to save £100m by 2017.
£5,100,000

Harlow Borough Council
The Better Childhood Programme
The project will transform processes, systems and service models for children and families by removing duplication and maximising the expertise of the children’s workforce.
£750,000

Hinckley and Bosworth Borough Council
Transforming the Customer Experience through the expansion of Information, Communication and Technology shared services
Consolidate Information Technology infrastructure and jointly develop web delivery platform to help shift customers to self-service.
£694,000

Kirklees Council
Kirklees Cares
Increasing the resilience of care leavers through voluntary peer and practical support and a whole place approach to supporting looked after children.
£400,000

Lancashire County Council
Making It Happen - Developing and Implementing an Integrated Wellbeing and Resilience Offer
This is an ambitious programme to develop a multi-agency ‘Integrated Wellbeing and Resilience System’ for Lancashire by piloting the approach and implementation in Chorley and Rossendale. It will manage demand by bringing together activity across the two-tier of local government in Lancashire with other partners to bring about improvements in health and wellbeing outcomes and service standards.
£1,230,000

Lancaster City Council
Improving Community Wellness
This project will focus on addressing poor quality housing stock in the private rental sector, and tackling the underlying social and health needs of residents to deliver improved outcomes.
£1,200,000

Liverpool City Council
Early Help Locality Model
This project will provide early intervention to support struggling families and prevent problems becoming crises. It could be they are worried about their children, or debt. A key worker will provide support to resolve the issues and prevent them recurring or requiring higher cost intervention later on.
£512,387

London Borough of Barnet
West London Whole Place Community Budget Programme - preventing vulnerable young people in Westminster London becoming ‘Not in Employment, Education or Training’.
This project supports a key objective in the partners’ vision for growth in West London, to support young people (14-19) who are highly vulnerable, at high risk of or not taking up employment, education or training and risking subsequent dependence on benefits. Remodelling existing services will provide early personalised support.
£505,595

London Borough of Brent
Working People, Working Places
Working People, Working Places will start in two West London Alliance boroughs to test how an intensive place-based approach can significantly improve sustained employment outcomes. If successful, the pilot will provide an evidence base for replicating the approach across workforce hotspots in West London, and beyond.
£550,000

London Borough of Bromley
Community Debt Management
The funding will help Bromley develop a better approach to recovering debt from customers, while also supporting customers with their indebtedness.
£344,000

London Borough of Croydon
Croydon Best Start - integrated multi-agency model for delivering universal and early intervention services for children and their families.
To support an integrated multi-agency model for delivering universal and early intervention services for children from conception to aged five and their families.
£1,487,880

London Borough of Ealing
Ealing White System Integration Programme – Capacity Building
Fund will increase the rate and scale of the plans to integrate Health and Social Care, specifically, it will be used to complement and accelerate specific aspects of the General Practitioner led Model of Care.
£1,890,000

London Borough of Havering
Northumberland Park Social Regeneration: People Pathfinder Project
To work with residents and partners to build on the strengths of the community and support families to enjoy the achievement of the vision for a resilient Tottenham. This Pathfinder approach will bring together partners – residents, voluntary and community, public and private sectors - to co-deliver better outcomes.
£835,000
London Borough of Hornsby
Skills Escalator
The ‘Skills Escalator’ is aimed at working people on low incomes, claiming housing benefits, housed in the private rented sector, or in Local Authority Temporary Accommodation. The project seeks to enable these people gain higher paid work to reduce or end their dependency on benefits.
£250,000
London Borough of Harrow Job Centre Plus

London Borough of Lewisham
Lambeth, Lewisham and Southwark Employment Service
Project aims to create a single service of employment support for residents with complex needs across three London boroughs.
£1,115,000
London Borough of Lambeth
London Borough of Southwark
London Borough of Lewisham

London Borough of Milton Keynes
South London Special Educational Needs Commissioning Programme
To develop the work of the South London Special Educational Needs Commissioning Programme by better sharing of knowledge and intelligence and integrated commissioning arrangements which will ensure more joined-up services to children and young people and more savings.
£710,837
London Borough of Milton Keynes
London Borough of Bromley
London Borough of Bexley
London Borough of Wandsworth
London Borough of Sutton
London Borough of Lewisham
London Borough of Richmond Upon Thames
Royal Borough of Kingston
Royal Borough of Greenwich

London Borough of Redbridge
Transformation of Domestic Abuse Service
One stop shop for victims/survivors of Domestic Abuse and Violence Against Women and Girls. Currently these services are commissioned separately by different Council service areas. The activity plans to replace these with a single point of access.
£250,000
Metropolitan Police Service
Redbridge Council for Voluntary Service

London Borough of Sutton
Transforming Waste Collection & Street Cleaning across South London
The South London Waste Partnership seeks to establish a shared waste collection and street cleaning service across four borough boundaries - a partnership unprecedented in scale and breadth in local government.
£1,330,500
London Borough of Merton
London Borough of Kingston

London Borough of Waltham Forest
Waltham Forest Independent Lives
Waltham Forest Council and Clinical Commissioning Group will use the funding to improve services for children and adults with learning disabilities. The joining up of services across all life stages will help us plan early and appropriately for their needs and empower them to live healthy and fulfilling lives, reducing demand and spend on more acute services.
£187,130
Waltham Forest Clinical Commissioning Group

Metropolitan Borough Council
Me and My Learning – Phase 2
Me and My Learning helps to give people the confidence and skills necessary to successfully make the move into work. A wide range of partner organisations work together to provide the tailored, individual support that characterises the Me and My Learning approach.
£660,000
Baby District Council
Department for Work and Pensions
Leicestershire and Northamptonshire District
Leicestershire County Council

Newcastle City Council
Transforming family health in Newcastle – redesigning mental health services to families.
Through Transformation Challenge Award, partners in Newcastle will transform the way infants and families are helped to overcome poor mental health and parental substance misuse. This will reduce the need for costly support services in later life and, instead, focus on providing families with up-front support to turn their lives around.
£2,756,816
Newcastle Clinical Commissioning Groups
Newcastle East Clinical Commissioning Group
Newcastle North and West Clinical Commissioning Group
WAVE Trust (Charity)
Early Intervention Foundation

North Lincolnshire Council
Connecting Northern Lincolnshire’s Protecting and Supporting Our Communities
The aim of the Connecting Northern Lincolnshire project is to establish a shared professional service across North Lincolnshire Council and North East Lincolnshire Council. By sharing the Human Resource, Legal, Finance and Information Technology functions from both councils, front line services will be protected through making savings of £12.6m.
£1,900,000
North East Lincolnshire

North Tyneside Council
Integrated Access Point - North Tyneside
The project develops a single point for people of North Tyneside to access advice and information, adult and children’s social care services and secondary mental health services. The aim is to provide a timely response that solves 75% of issues at the first point of contact and reduces repeat customers.
£1,300,000
Northumbria Tyne and Wear Mental Health Trust

Nuneaton City Council
Transforming Service Access Through Digital Inclusion
Improve access to, and use of, digital technology for some of our most disadvantaged residents. To help them to make the most of new technology and become more self-supporting in the longer term. It will also mean, as they grow more confident, that some residents will need less direct support from a range of public services.
£445,575
Voluntary North Staff
Digital Inclusion Working Group

Nottingham City Council
Advice Nottingham Consortium
To unite and focus advice and support in Nottingham to help more citizens to avoid financial difficulty, to improve the experiences of citizens seeking support, and to help more citizens to access employment to address their difficulties more permanently and to improve prospects for themselves and for their families.
£500,000
Advice Nottingham

Plymouth City Council
Integrated Adult Health and Social Care Service Delivery
The Integrated Adult Health and Social Care Service Delivery Project will focus on developing an integrated service delivery model for adult health and social care.
£1,435,542
Department of Health
Northern, Eastern and Western Devon Clinical Commissioning Group
Plymouth Community Healthcare

Plymouth City Council
Domestic Violence and Abuse Holistic Family Intervention
Plymouth City Council in partnership with Hampshire County Council, Hampshire Constabulary, Health and the Southern Domestic Abuse Service have developed a whole family model to provide support and intervention to all family members with the aim of reducing the ongoing cycle of domestic violence and abuse.
£350,000
Plymouth City Council
Hampshire County Council
Hampshire Constabulary
Southern Domestic Abuse Service

Redcar and Cleveland Borough Council
Team Around the Community
The ‘Team Around the Community’ project is a radical and innovative approach to early, local intervention, and support which will transform service delivery. The overarching objective is to build resilience within families.
£1,000,000
South Tees Clinical Commissioning Group
Redcar and Cleveland Voluntary Development Agency
Caren Together
Teesside Police Brigade
Cleveland Police

Royal Borough of Kingston Upon Thames
Shared Service Programme
The programme will build on the successes of joint working across the ‘South London Partnership’, including the four borough Legal Service and Richmond and Kingston’s jointly-owned Community Interest Company, and Achieving for Children.
£3,000,000
London Borough of Sutton
London Borough of Merton
London Borough of Richmond
**Authority** | **Project Title** | **Project Summary** | **Funding Awarded** | **Capital Receipt Flexibility** | **Partner Names**
--- | --- | --- | --- | --- | ---
Selton Borough Council | Liverpool City Region Collaborative Commissioning Project | The project brings together Local Authorities to collaborate on an extensive programme of projects to commission high quality and person centred care. | £1,865,500 | | Sheffield Borough Council
Selby District Council | Better Together Customers and Community | Selby District Council and North Yorkshire County Council are working together on an innovative collaboration. The work involves service re-design to achieve integrated end-to-end services for citizens based on their needs, providing alternative delivery channels that make the most of our existing resources and enhance service delivery for users. | £655,936 | | North Yorkshire County Council
Sheffield City Council | Proving the multiple benefits of early intervention and community-based care | To implement a community-based prevention model that will reduce the pressure on health and care services by a minimum of £150m (Net Present Value) over 10 years. | £1,306,033 | | Sheffield Teaching Hospitals Foundation Trust
Shropshire Council | Our Community Hubs | Development of Community Hubs to transform existing face to face customer focused services, including libraries and Customer Service Points. The Hubs will provide places that residents can easily get information and advice. | £520,000 | | Shropshire Association of Local Councils
Somerset County Council | Transforming learning disability services via a social enterprise partnership in Somerset | This programme will create a Social Enterprise Partnership shaped by the priorities of those who benefit from the services and their carers. It will offer affordable, personalised services satisfying even the most complex needs. Those will be available locally so that customers can stay close to their support networks. | £1,650,000 | £505,000 | Somerset Clinical Commissioning Group
South Bucks District Council | Accelerating transformation and channel shift. | The project will transform the operation of joint teams already established, by supporting staff using technology aligned with customer intelligence, to improve service efficiency and quality. It will focus on bringing services closer to the users, and extending the choice of how they access Council services. | £221,750 | | Chiltern District Council
South Gloucestershire Council | Better Quality Care | To provide a new way of safely sharing social care, health and education information, enabling professionals to see a single electronic view of up-to-date case management information. | £900,000 | | Bristol City Council
South Hams District and West Devon Boroughs Councils | A two part programme 'T18' to create new model to facilitate the growth of shared service arrangements at greater pace. | Shoreditch shared services partners South Hams and West Devon Councils are pioneering a new model of working to protect local services despite the funding challenges. The approach reduces costs by re-engineering services around customers using technology. A smaller workforce will reduce the need for offices and staff will work within communities. | £1,700,000 | | South Hams District and West Devon Borough Councils
South Northamptonshire Council | Collaborative commissioning deepening our approach to joint working, maximising income and exploring alternative service delivery models. | The project brings together three councils as joint commissioners of local services, thereby increasing efficiency and quality through economies of scale, joint procurement and sharing technology. Shared service development and exploring new delivery approaches including local authority owned companies or employee mutuals will also drive down costs and allow greater income generation. | £900,000 | | Cherwell District Council
South Tyneside Council | Remodelled Public Services in South Tyneside | The project revolves around the idea of transforming the way in which public services operate in South Tyneside. Currently, transactional efficiencies have accounted for over £30m of savings in the last 4 years. | £1,100,000 | | South Tyneside Clinical Commissioning Group
Stoke on Trent City Council | Co-operative Working - an ambitious and revolutionary new business operating model to support vulnerable individuals and households across the City of Stoke on Trent. | Co-operative Working helps people deal with multiple needs by combining the resources of a range of departments and partners. One key worker is appointed to each household, so residents only tell their story once. This ambitious, innovative approach delivers better outcomes for Stoke-on-Trent neighbourhoods and value for money for taxpayers. | £4,923,000 | | Staffordshire and Stoke on Trent Partnership
Suffolk County Council | Future Councils Model | Suffolk Public Services will redesign their relationship with Suffolk residents to collectively achieve more with less. The Transformation Challenge Award will be invested to pump prime new ways of collaborative working that support communities, reduce costs and generate benefits for residents of £15m over 10 years. | £3,323,125 | £1,800,000 | Mid Suffolk District Council
Sunderland City Council | Innovative Alternative Service delivery - Mutualisation of Place and People Services | Large scale mutualisation of Place and People services has been identified as the most appropriate means of delivering the improvements sought with the aim of bringing about a transformation in the lives both of those who use and rely upon the services, and of those who provide and work in them. | £500,000 | | Tyne and Wear Fire and Rescue Service
Surrey County Council | Improving Public Sector Response to Crisis for People with Mental Health Problems in Surrey | Surrey public agencies are transforming the response to crisis situations for people with mental health problems. By developing an integrated mental health crisis response service, ensuring better information sharing across agencies and enhancing community support, Surrey will improve outcomes for vulnerable people whilst also reducing costs to public services. | £1,625,000 | | Surrey Police
Swindon Borough Council | Transforming Demand for Adult Services | To mainstream the ‘Community Navigators’ pilot - navigators work within an integrated team of health and social care professional to reduce emergency hospital admissions and prevent increased needs for care packages and to develop Swindon Citizen, a targeted volunteer befriending service. | £866,000 | | Swindon Clinical Commissioning Group

<td>Youth Employability Support Partnership (Coventry and Warwickshire)</td>
<td>Youth Employability Support Partnership (Coventry &amp; Warwickshire) will help improve the transition of young people into sustainable employment in the local area – and to help reduce the cost of those not in education, employment or training to the wider public purse. The funding will enable the authority to redesign approaches to tackling youth unemployment across Coventry and Warwickshire.</td>

<td>Reducing Health Related Worklessness in Birkenhead</td>
<td>In areas of Birkenhead, over a third of the working age population claimed health-related benefits in 2013. Building on developing research and pilot projects, the Transformation Challenge Award enables a dedicated Health and Employment Action Team to be established in 2015, aiming to double the annual rate of reduction of health-related worklessness in partnership with Wirral’s Public Service Board.</td>
